March 4, 2021

**SUMMARY OF BILL:** Requires an arresting officer of specific offenses to provide the victim with a document prepared by the Administrative Office of the Courts (AOC) notifying them of certain global positioning monitoring system (GPMS) information.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Requiring an arresting officer to provide a victim of stalking, aggravated stalking, especially aggravated stalking, a violation of an order of protection, or domestic abuse with a document prepared by the AOC will not significantly impact state or local expenditures.
- Per the language of the legislation, the document is required to include information regarding the authorization to require the arrested person to wear a GPMS, certain aspects of the victim's rights, and the manner in which the GPMS functions.
- It is expected that the AOC can prepare a document with the above information with existing resources and personnel.
- Any impact to the court system is estimated to be not significant.
- The number of individuals that will be required to wear a GPMS will not significantly increase as a result of this legislation. Therefore, any impact to the Electronic Monitoring Indigency Fund will be not significant.
